Minutes of Meeting April 11, 2017

Meeting Called To Order at: 7:00 p.m.

Adoption of minutes of meeting of March 16, 2017

Moved by Thomas Alchorn, seconded by Kevin Marsden

### Treasurer's Report:

The Treasurer reported to those in attendance.

### Old Business

- Steve Wilbur questioned if the new insurance provider will cover members when they attend matches at other clubs, events, etc. as was the practice with the Shooting Federation of Canada. Dave Greene responded that the new coverage provides the same services.
- Dave Greene advised that the non-restricted firearms courses taking place in the fall were filling up quickly; there are no vacancies for any courses taking place this spring or summer. Dave advised anyone interested to contact the DNR quickly to assure they get a seat.
- Dave Greene said there were still some places available for shotgun shoots the club will be attending at Fredericton Trap & Skeet Club. Please contact Dave if you want to attend.
- Dave Greene said the Scout appreciation day still requires club volunteers if it is to take place. Dave once again circulated a list of tasks that require members to take ownership. If you are able to volunteer please contact Dave.

### New Business

- Dave Greene showed lane markers from the 25/50 yard line that were peppered with birdshot and destroyed. We are required to have these lane markers to keep our approval with the CFO so they have to be replaced and paid for with club funds. Also it is illegal to use shot on the 25/50 yard range as it is not approved. If anyone has information regarding use of shot on the 25/50 yard line please contact any member of the executive. Stupid acts of deliberate vandalism such as this not only cost the club money but threaten our continued operation.
- Dave Greene and Bill Nason discussed the need for a work detail to clean up the range after a season of heavy use. April 22<sup>nd</sup> or 29<sup>th</sup> were floated as possible dates but Bill suggested we coordinate with Vice President Blake Tibbetts and then send out an email to the membership.

Motion to adjourn by Kevin Marsden at 7:20 p.m.
